YON LÒT
OPSYON
September 2023

YON LÒT OPSYON, meaning “Another Option” is an initiative of the Rendez-Vous Christ Churches, inspired by Dr. Julio Volcy, with the purpose of helping the most deprived children from different communities who attend our churches and making it easier for them to go to school here in Haiti. For back to school, this year we have distributed school kits to hundreds of children. This year marks our second edition of this big event. The children were extremely happy to receive their school kits. At **Rendez-Vous Christ**, we believe that education is the best option for the children and the most important aspect of success because it will provide them with the tools and skills they will need to achieve their goals in life. Thank you for supporting **Rendez-Vous Christ**. Because of your generosity, we are making great impacts in the communities and we’re changing lives.
